

## Dress Code Requirements (Ages 3-12)

We ask our students to wear uniforms to reduce competition in the classroom and to signal a behavior change. When the uniform is on, students understand it is time to study. We all perform different roles in our lives. Uniforms help children adopt the role of a student. We have chosen inexpensive uniform styles and have given the students several options in color and style.

*Girls may wear:*

Jumpers: Any uniform brand jumper in navy, maroon, or tan is acceptable. All jumpers and skirts should be no shorter than 2 inches above the knee.

Skirts: Any uniform brand skirt in navy, maroon, or tan is acceptable. Some examples of an acceptable skirt are kick pleat, straight, or A-line.

Privacy shorts are recommend for girls wearing a jumper or skirt. Athletic cotton shorts or boxers are acceptable, and may not be longer than the item they are worn under. Tights may be wore as an alternative to shorts.

*Boys and Girls may wear:*

Pants: A navy or tan pant, Dockers style, cotton or polyester blend, pleats or no pleats, with or without pockets. If the pant has belt loops, a belt must be worn in a coordinating color.

Shirts: Any solid color, cotton or polyester blend, collared Polo or Oxford style shirt in navy, maroon, or white, with or without a pocket. All shirts must be tucked in. Please keep brand name logos small. For example, the one inch Polo or Izod emblem on the breast of the shirt is acceptable.

Sweater Vest: Any solid color pullover or button down sweater vest in navy, maroon, or white. A collared Oxford style shirt must be worn under all sweater vests.

Sweater: Any solid color, long sleeve, pullover or button down sweater in navy, maroon, or white. A collared white Oxford style shirt must be worn under all sweaters.

Shoes: Students must wear white tennis shoes while inside the school. Students will store these indoor shoes in the coat room. An athletic sneaker should be worn to and from school so that students will be prepared for all outdoor activities such as recess, PE, or field trips.
